## TO CELEBRATE 100th ANNIVERSARY OF M. E. CHURCH

### Methodist Episcopal Church to Celebrate Centennial

W. H. Spybey, Pastor.

A century of time and a century of service are noteworthy in a church in a territory of recent settlement. And this is our distinction. One hundred years ago a Methodist class was formed in Perrysburg as the result of the coming of settlers and the preaching of pioneer Gospels; the first church organization in the Maumee Valley.

Next Sunday we celebrate our centennial with the following program:

Sunday school 9:15 a. m.  
Sermon at 10:30 o'clock by the Rev. Dr. Albert E. Smith of Ada, Ohio, president of Ohio Northern University.

Bits of history will be related by Dr. N. B. C. Love.

Basket dinner will be spread at noon in the lecture room and all are urged to remain.

Address at 2:15 o'clock by the Rev. Dr. S. K. Mahon of Epworth Methodist church, Toledo. Greetings of former pastors.

Epworth League at 6:30 p. m.  
Evening Service at 7:30 o'clock.

Furling our service flag with its 31 stars, two of gold, will be followed by a Paramount motion picture in five reels entitled, "Rich Man, Poor Man," as played by Marguerite Clark.

Prayer meeting hereafter will be held on Wednesday evening.

### FIRST PRESBYTERIAN CHURCH

Rev. W. H. Pheley, Minister.

Services for Sunday, Nov. 9th. The church was a busy place last Sunday. It was the "King's Business" that occupied the time of the several hundred present from the early Sunday school hour to the closing benediction of the convention at night. It was a good day in thought, in words, in works and in happy Christian fellowship.

Peter's Great Confession is the general lesson for the Sunday school at 9:30 a. m. The men's Bible class invites all men. Drop in for an hour with us.

Morning worship and sermon at 10:30. Dr. Pheley will preach on the subject, "Victories and Triumphs."

Junior C. E. meeting at 2:30. Topic, "Lesson from Peter's Letters," 1 Peter 3:8-12. Peter found the secret of happiness. All boys and girls from 8 to 14 years are invited to learn this great secret from Peter.

Senior Christian Endeavor meeting at 6:30. Topic, "How to Avoid Failure," Joshua 1:1-8. Miss Mary Fuller, leader. This is a matter of interest to everyone. It is sure to be a profitable hour. You have a cordial invitation to attend.

Prayer and praise service.

### A Proclamation

Armistice Day, Tuesday, Nov. 11—will be generally observed throughout the nation as a holiday.

Upon this date the war ended and the terrible carnage ceased. We, one and all, remember how our hearts were thrilled upon the receipt of the glorious tidings—because our boys were there and with the war over they would soon come back to be again with us, around our firesides.

It is meet and proper that we remember this momentous day and with each returning anniversary we observe it sacredly.

Therefore, on Tuesday, November 11, I ask that business be suspended, our public schools close and that we join with our boys in observing the day which meant so much to them, to us, and yes, to all Christendom.

(Signed) D. R. CANFIELD, Mayor.

### ARMISTICE DAY TO BE FITTINGLY CELEBRATED

Mayor Declares Holiday, Service Men Take Active Parts in the Celebration

#### FOOT BALL GAME 2:30 P. M.

A year ago, on the 11th of November, the most momentous news that the world had ever heard was flashed across the battle fields and to the homes of our loved ones here. The greatest military victory that the world had ever seen was then and there accomplished. Whether a man was serving in France, Italy or Russia, or whether he had the more trying duty on this side, he unflinchingly helped the cause, and so it seems most fitting that these same men, now being bound together as a force for good in this country and who pledge themselves to build a new and greater nation of Americans for America, should take an active part in the first anniversary of the signing of the armistice.

The governor of each state has been requested to declare Armistice Day, November 11th, a legal holiday and to designate it as American Legion Day.

#### Foot Ball Game Staged

At 2:30 p. m. on the ball grounds will be staged a foot ball game between the local-American Legion team composed of all ex-service men and the fast Burkhardts or Senecas of Toledo. These teams are made up of former Wait and Scott high school players. The local post team will be composed of the following:

Ed Thomas, Thurlby, Sarver, Sasse, Chas. Kopp, Lee Hartshorn, D. Muir, Jim Wiser, Ed Conode, K. Muir, K. Veitch, Leydorf, Compton, F. and E. Finch, Haefner, Purvis, Pringle, Miller, Honner and others.

Tickets will be sold at the game. This will no doubt be a hard fought game as several of the players have starred on camp teams both in France and at home.

Sarver and Thurlby played on the Bat. E. 135th Art. team, Thomas on the U. S. S. Delaware team and Sasse on a famous brigade team of the 84th division.

A large crowd is expected at this, the real game of the season for Perrysburg.

#### Dance at Town Hall

In the evening a dance will be given at the town hall. All ex-service men and their friends are invited to come and enjoy themselves. An admission of 75c per couple will be charged.

#### LOST

Brass cylinder about 10 inches long, on McCutcheonville road, being part of whistle off school bus. Return to Honner's garage or school building and receive reward.

### CLEGG SHOOT 1,600-LB. MOOSE

East Sider Returns With Huge Carcass From Ontario Woods.

East Toledo citizens Thursday were viewing a large moose, killed by James R. Clegg, which has arrived at his home, 910 Starr avenue. It weighs 1,600 pounds, and was killed by Mr. Clegg near Savoff, Ontario. The party consisted of Toledo and Perrysburg persons.

In the hunting party besides Mr. Clegg and Mr. Charles were A. E. Charles of Perrysburg, W. F. Moore and Ray Vollmer of Haskins, and H. H. Denness, J. W. Morrison and A. T. Wright of Toledo, and Amon Morrison of Grand Rapids, Ohio.—Blade.

#### LIGHTS TURNED ON

The new park system of lighting on Louisiana avenue were turned on for the first time last Wednesday evening and certainly are an improvement over the old system of are lights. Speeches were made by Mayor Canfield, Prof. Neitz and the contractor. The lights extend from Front street to Fifth and the same system is used in lighting Hood park. Perrysburg can now boast of probably the best lighted main street in the state.

#### ENJOYING SUMMER WEATHER

Mrs. Frederick C. Champney, who is in New Orleans, La., writes the Journal, under date of October 28, that it is just like mid-summer there and that everyone is wearing white, except tourists, who came expecting it to be much cooler. She says it is the hottest October ever known there.

#### COAL PRICES

Last Friday, on the eve of the big coal strike, the government set the price of coal during the duration of the strike.

The price of Ohio coal is \$2.65 to \$3.65 per ton at the mine.

This price, of course, does not include freight and the retailers' profit.

#### CIVIC ASSOCIATION MEETING

The regular monthly meeting of the Perrysburg Civic Association will be held Thursday evening, November 13, 8:00 o'clock.

At this meeting the proposition of extending the corporate limits of Perrysburg to include that property from east boundary to the Terminal R. R., between the avenue and the river, as far as Hufford's road, will be brought up for discussion. All free owners within said limits are respectfully invited to this meeting.

Every member should make a special effort to attend these monthly meetings and help boost Perrysburg.

**SATURDAY SPECIAL**—The Journal for 3 months to new subscribers only, for 30 cents.

## ELECTION RESULTS IN PERRYSBURG AND TOWNSHIP

### Both Municipal and Cemetery Bond Issues Carry.

Cold and disagreeable was the day for those workers at the election, Tuesday.

Many ladies were out who were giving their special attention to the prohibition question, and they braved the unpleasant weather with spartan-like fortitude.

The firemen and many of their friends were out boosting for the bond issue for the new municipal building.

The mayoralty and clerkship were the big issues apparently and considerable feeling was manifested by the friends of the various candidates.

## Sensible Girls

realize that a man in order to be successful must be thrifty and economical.

The man who is accustomed to spending all his earnings is not going to be made over when he marries and is sure to chafe at the economies which must then, of necessity, be put into effect.

Sensible girls will encourage the young man to save some of his earnings, and sensible young men had better be on their guard with respect to the girl who encourages the opposite course.

Sensible girls will be interested in a savings bank credential of industry and thrift; sensible young men will have that credential.
